Welcome.

Discover the Art of Custom Homes with Royal Texan Homes.
Historically Inspired, Designed for Modern Living

At Royal Texan Homes, we believe that every home should be as unique and vibrant as the dreams that inspire them. This catalog presents a journey through our built home that is ready for your customized touch! Each room is a canvas awaiting your personal touch, each a space with potential for customization.

Here are some of the possibilities:

- **Grand Entrances:** Explore options to elevate your home's first impression with elegant driveway enhancements and decorative lighting.
- **Outdoor Living:** Imagine transforming your outdoor space with stylish patio ceilings, a functional outdoor kitchen, and a cozy firepit for gatherings.
- **Maximized Storage:** Discover how to add practical yet elegant cabinets and built-ins to utilize every space efficiently
- **Personalized Spaces:** Immerse creative options like wallpaper accent walls and decorative trim details to make each room truly yours.
- **Chef's Pantry Design:** Tailor your kitchen's pantry with custom cabinets, a beverage fridge, and everything you need to make cooking a delight.

Signature Collection

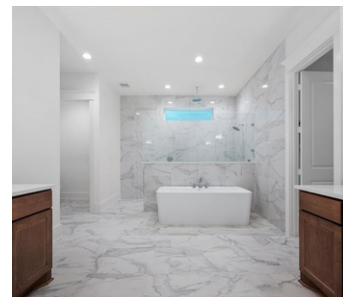

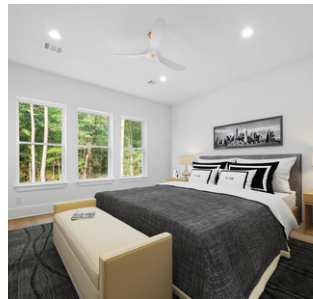

ABOUT THE HOME

Front Ideas.

At Royal Texan Homes, we believe your home should reflect your unique style and personality. While our homes in this catalog already boast exceptional features, we also offer you the opportunity to customize and personalize your dream home to the fullest. Here are some of the possibilities for your new home.

Holiday Lights Prep

Make the festive season even more magical with our holiday lights prep option. Effortlessly adorn your property with dazzling lights and decorations, spreading holiday cheer to the entire neighborhood.

Brick Culvert Head with Lights

Enhance your driveway's elegance with a beautifully lit brick culvert head, adding both visual charm and safety to your home.

Columns with Lights

Make a statement with stately columns adorned with lights. These architectural accents not only enhance your home's aesthetics but also provide a warm and welcoming ambiance.

Living Room Ideas.

Your living room is where comfort meets style, and it should reflect your unique taste and preferences. Explore these design options to make your living room a true unique and personal space.

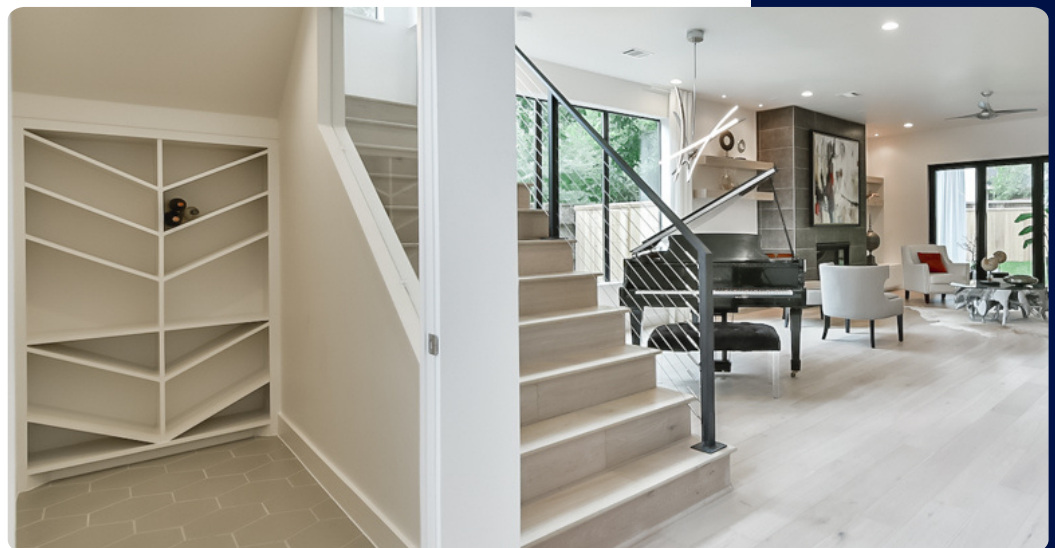

Built-Ins at Fireplace

Enhance the focal point of your living room with built-ins at the fireplace. These custom-built shelves and cabinets not only add visual appeal but also provide practical storage space for displaying your cherished items and media equipment.

Wine Bar

This elegant addition allows you to showcase your wine collection and entertain guests in style, making every evening a special occasion.

Crown Molding

These architectural details add a touch of grandeur to your space, enhancing the overall aesthetics and making your living room feel even more luxurious.

Beams on Ceiling

Introduce an inviting ambiance to your Front Foyer with the addition of ceiling beams. These beams not only bring a cozy charm to your space but also create a visually striking focal point.

Kitchen Ideas.

We understand that the kitchen is the heart of your home, where memories are made, and flavors come to life. Explore these design possibilities to create a kitchen that suits your style.

Stacked Upper Cabinet

Maximize your kitchen's storage with stacked upper cabinets with glass. This design option not only provides ample space for your kitchen essentials but also adds a touch of sophistication to your culinary space.

Refrigerator

Ensure your kitchen is equipped for your needs with a top-of-the-line refrigerator. Our homes offer you the choice to select the perfect refrigerator to keep your ingredients fresh and your beverages chilled.

Refrigerator Cabinets

Complete the look of your kitchen with custom refrigerator cabinets. These cabinets seamlessly integrate your refrigerator into the kitchen's design, offering a polished and cohesive appearance.

Light

Illuminate your kitchen workspace with an additional lighting or change the light fixtures to a statement piece. This thoughtful addition not only enhances task lighting but also adds a touch of elegance to your kitchen design.

Pantry Ideas.

A well-organized pantry can make a significant difference in your daily routines as well as convenience to your life. Explore these opportunities to transform your pantry into a functional and stylish space:

Add Countertops

This premium surface not only enhances the visual appeal of your pantry but also provides a durable and versatile workspace
